

The Giant Honey Sandwich

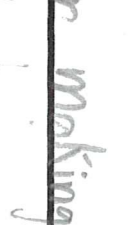

Viva!

One hot day in Itching Down for million bears roared into town. The noisy nasty nuisance grew until the villagers cried "What can we do!"

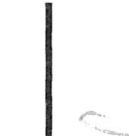

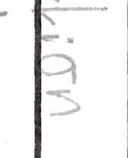

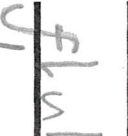

Then Bertie Baker leaped to his feet and cried "What if we make a giant honey sandwich?" Inshruskin's were awn for making the dough.

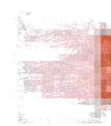

The dough was left to rise until it was a mountain and sharp and size! Then for hours and hours they let it cook until the winds shook.

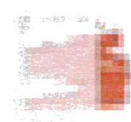

Six strong men sliced right through the bread with a stan. A chock dumped out butter with a flap and a flutter. Sinking all for million bears were coming. They ate so much that they all got stuck. Only Three escaped.

The giant honey sandwich,

One hot summer in L ching
Down 4 billion bees
flew into town. The
noisy noisy nuisance grew
until villagers cried
"What can we do?"
Bakke baker leapt
to his feet and said
"What do weeps like eat?"
If we made a giant
honey sandwich we can
trap them in it.

Instructions were given for
making the dough soft from
above and fast from below.

The dough was left to
rise until it was mountain
shape and size!

For hours and ~~hours~~ ^{to} hours they let
it cook it swelled in side
until the windows shook

Six strong tall mighty
big men used a saw
and sliced it right
through. A digger

"what do bees like eat
if we made a giant
honey sandwich we can
trap them in it.

Instructions were given for
making the dough salt from
above and feast from below.

The dough was left to
rise until it was mountain in
shape and size!

For hours and ~~hours~~ ^{to} hours they let
it cook it swelled in side
until the windows shook

Six strong fall mighty
big men used a saw
and sliced it right
through. A digger
dumped out butter
with a flap and a flator

Tom

One hot summer in Tropic Downs
four million bears came into town.

The noisy noisy nuisance grew
and grew until the villagers
cried, what can we do?

Bertie baker leaped to his
coat and cried "What do we bear
like to eat?" "Is we made a giant
honey sandwich we could trap
them in it."

Instructions were given for making
the dough they left it for
to rise until it was a mountain in
shape and size.

For hours and hours they let it cook
it swelled inside until the clean
windows shook.

Six strong men took a slice right
from A truck jumped out
butter it was spread with a
slap and a slizzer.

Slap, slap they did the same
with the sticky honey. So

cried what can we do?

Pearty baker leaped to his feet and cried "what do we do like to eat?" "If we made a giant honey sandwich we could trap them in it."

Instructions were given for making the dough they left it to rise until it was a mountain in shape and size.

For hours and hours they let it cook it swelled inside until the clean windows shook.

Six strong men took a slice right from A. Krack jumped out with butter it was spread with a slap and a slutter.

Slap! Slap! they did the same with the sticky honey. ~~So~~

Suddenly the ground was covered all four million bears were coming they smell that honey they ate so much they all got stuck.

they ate so much they
all got stuck. They

the children came into
town. The noisy mob by
answre greis fill the
villagers cried "what can we
do?"

But the baker kept
to his seat and said
"What do you children
like to eat?" If we
made a great viftela
sandwich we could pay
them in it." Instructions
were given for making
the dough. They let it
rise until it was a mountain
shape and size.

For hours and hours
they let it cook until the
windows shook. Six strong
men used a saw to
saw right through. At
last dumped out viftela
they ate so much they
all got stuck. They
spread it with a flap
and a flitter. The
grand was shaking
they smacked the
viftela. The all fair
million children got
stuck.

Ordn

On a hot summer in

I fishing Dawn first million
Cottontail did & crawled
into town. The noise
having ruscaper growl
the susarats came in what
can we do!

Lily looked up & said
and said "Ah! What
about a 'bion-le' here
sandwich!"

Instructions were
given for making the
dough.

It was left to rise till

it was done in shops
and so!

For hours it baked when
it was ready it took
took lots of left over.

The night the Grayhounds
were coming. The
were coming! They all
got stuck when a slice

adding ingredients and water
the yeast gets activated
can we do it

They look eh weird and
add the oil. And what
about a bit of butter
and a pinch of salt.

Instructions were
given for making the
dough.

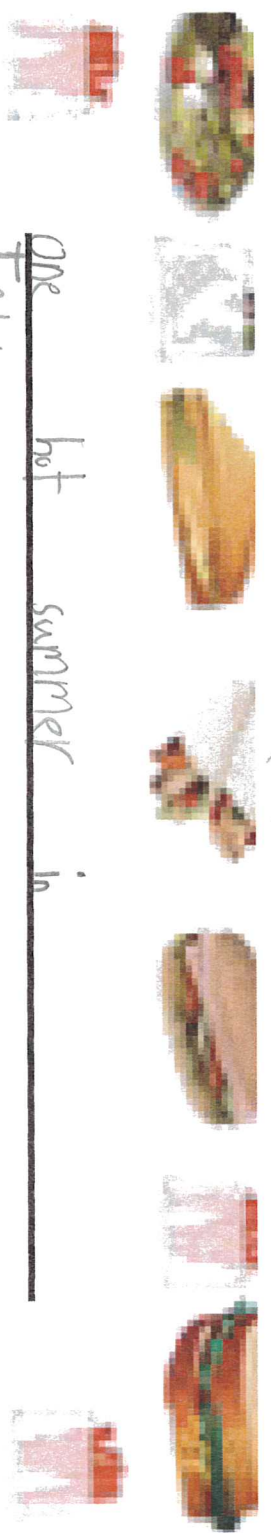

It was left to rise till

it was double in size
and size!

For hours it baked. When
it was ready it took
took lots of time.

Then the bread was
made. The breads
were coming! They all
got stuck when a slice
came out.
